

# XXV International Congress of the Mexican Hydrogen Society Morelia, México, 2025

## Dear Colleagues and Friends,

We are thrilled to invite you to the XXV International Congress of the Mexican Hydrogen Society. This extraordinary gathering for the 2025 edition is proudly hosted by the Instituto Tecnológico de Morelia in collaboration with the Mexican Hydrogen Society.

This prestigious event offers a unique opportunity to connect with leading experts, share innovative research, and explore the latest advancements in hydrogen technologies. We warmly encourage you to submit your abstracts for posters and oral presentations on any of the following cutting-edge topics:

## Topics

<b>Hydrogen production, storage, and transportation</b>	<b>Digitalization and innovation in hydrogen technologies</b>
Includes green hydrogen, water electrolysis, hydrogen carriers, nuclear-assisted hydrogen production, and emerging technologies.	Encompasses artificial intelligence, digital twins, and advanced modeling in hydrogen systems.
<b>Applications of hydrogen in energy systems</b>	<b>Hydrogen economy and societal impact</b>
Covers hydrogen blending in natural gas networks, hydrogen and ammonia in power generation, hydrogen-battery hybrid systems, and renewable energy integration.	Explores industrial decarbonization, circular economy integration, hydrogen valley development, social acceptance, public awareness, and the impact on energy geopolitics
<b>Fuel cells and hydrogen infrastructure</b>	<b>Impact of hydrogen on energy geopolitics</b>
It focuses on the development of fuel cell materials, components, and stacks, as well as hydrogen refueling infrastructure and global supply chains.	Analysis of how hydrogen will transform the geopolitical landscape and international relations around energy.

## Presentation Formats & Submission Process

To ensure a streamlined and fair process for all participants, the following guidelines apply:

1. **Abstract Submission (First Step):** All prospective presenters, regardless of preferred format, **must first submit an abstract** via the EasyChair platform:

<https://easychair.org/account2/signin?l=1578719162010221738>

Submissions will undergo rigorous peer review by the **Congress Academic Committee** to ensure scientific quality and relevance to the Congress themes.

2. **Format Assignment by the Academic Committee:** After evaluation, the Academic Committee will notify authors of acceptance and **recommend the presentation format** (Oral or Poster) based on the abstract's scope, innovation, and alignment with session objectives.
3. **Presentation Modalities:**
  - **Oral Presentation:**
    - *In-person:* Deliver a 10-15 minute live presentation followed by Q&A.
    - *Online:* Foreign authors may request a **virtual oral presentation** via Zoom (15-minute pre-recorded video + live discussion).
  - **Poster Presentation:**
    - *In-person or Online:* The authors may request a **digital poster** showcased on the **X.com virtual platform**, with asynchronous Q&A via dedicated forums.
4. **Inclusion in Congress Materials:** All accepted abstracts—whether Oral or Poster—will be published in the **official congress proceedings** and listed in the **program schedule**.
5. **Flexibility for International Authors:** Authors outside Mexico may formally request **online participation** during registration. The Academic Committee will confirm arrangements based on technical feasibility.

# XXV International Congress of the Mexican Hydrogen Society Morelia, México, 2025

## Venue

The congress will take place from **September 16–19, 2025**, at the **Instituto Tecnológico de Morelia**. Morelia, a UNESCO World Heritage city, is renowned for its colonial architecture and vibrant culture. Attendees can stay at the **Grand Cantalagua Hotel Morelia**, offering modern amenities and proximity to the venue.

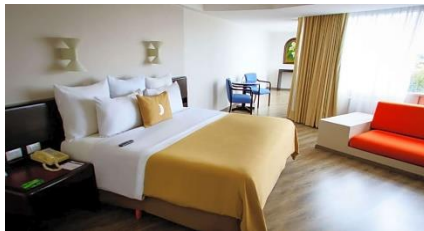

## Accommodation:

- Standard room (1–2 people): \$1,390 MXN
- Standard room (3 people): \$1,685 MXN
- American Breakfast: \$260 MXN (includes VAT/service).

## Location:

Av. Ventura Puente Esq. Av Camelinas, Morelia.
