

XXV International Congress of the Mexican Hydrogen Society

September 16-19, 2025

Morelia, Michoacán, México

Dear Colleagues and Friends,

We are delighted to announce that our recent Call for Abstracts (closed May 31) was met with resounding success, receiving over 150 submissions from authors across Mexico, Spain, Canada, Russia, Brazil, the United States, the United Kingdom, Germany, the Netherlands, Japan, Colombia, France, and the Czech Republic. This exceptional response highlights the global momentum in hydrogen technology research.

After the evaluation, the Academic Committee notified the authors of the acceptance decision and recommended the presentation format (oral or poster) based on:

- Abstract scope
- Innovative merit
- Alignment with session objectives

For international authors:

You can formally request virtual participation during registration. The Academic Committee will confirm the organization of online oral presentations via Zoom (15-minute pre-recorded video + 5 minutes of live discussion).

For authors-person oral presentations:

A presentation must be prepared: 15-minute presentation + 5-minute questions & answer session.

For foreign authors POSTER:

You may formally request virtual participation during registration. The authors may request a **DIGITAL POSTER** showcased on the **X.com virtual platform**, with asynchronous questions & answer session via dedicated forums.

- If you also want to present your **POSTER** at the Morelia Institute of Technology, you must prepare a presentation of a maximum of three slides, presenting it in 10 minutes at most, and include a 5-minute Q&A session with the audience.

Dr. Héctor Javier Vergara Hernández
Local Congress Chair

XXV International Congress of the Mexican Hydrogen Society

September 16–19, 2025

Morelia, Michoacán, México

Instituto de Ciencia
Tecnología e Innovación
GOBIERNO DE MICHOACÁN

Additional opportunity:

We are still accepting student poster submissions.

All accepted abstracts—whether Oral or Poster—will be published in the official congress proceedings and listed in the program schedule.

All fees are in MXN (Mexican pesos)

Dates	Active Members (Active Membership)			Non-Members		
	Students	Professionals	Industries	Students	Professionals	Industries
Before 07/31/25	\$2,800	\$5,400	\$7,200	\$3,000	\$6,000	\$8,000
After 07/31/25	\$3,300	\$6,300	\$8,300	\$3,500	\$7,000	\$9,200

Send proposals to:

✉ xxv.smhcongress@morelia.tecnm.mx

✉ hector.vh@morelia.tecnm.mx (cc)

Payment, invoicing, or receipts:

Contact the Mexican Hydrogen Society:

✉ treasurer@smhidrogeno.net

✉ contacto@smhidrogeno.net

We look forward to welcoming you in Morelia—or online—in 2025!
